

POV Safety Checklist

Just because your vehicle passed an inspection last time you registered it doesn't mean your car will always be safe. Check your vehicle thoroughly before each trip and use common sense.

Yes No

1) Check tires: ensure plenty of tread

proper air pressure

2) Ensure you have a full tank of gas

3) Windshield wipers are functional

4) Window washer fluid is full

5) Ensure all lights: traffic, signal, flashers, and interior lights are working

6) Check oil level

Change oil every 3000 miles or every 3 months

7) Brakes function properly

8) Safety equipment:

Seatbelts
Off-Duty Mission Brief
Child Restraints

First Aid Kit

Signature of First Line Leader _____
Date _____

Alcohol Safety Tips

- 1) Don't drink and drive, boat or swim.
- 2) Use designated driver when going out to drink. If no transportation is available call Staff Duty or MP. You will not be penalized for using common sense. See numbers below.
- 3) Drink in moderation. Alcohol is poisonous.
- 4) Do not go to unknown bars and clubs by yourself.

Taxi: _____

Safe Driver's Pledge

I pledge to always make sure everyone in my vehicle buckles up!

I pledge to obey all traffic laws and maintain the proper speed and separation distance for all situations.

I pledge to be a responsible driver.

I pledge to stay alert while driving.

I pledge to never take safety for granted.

I pledge to not drink and drive; I will use a designated driver, call for a ride, find other transportation or make other arrangements if impaired.

USAREUR Off-Duty Risk Assessment Card

Use this card to assess the risks involved in your off duty activity. First, honestly evaluate your personal risk level. Then, analyze the details and characteristics of your planned travel. Inspect your vehicle using the enclosed check list. Upon the completion of your assessment, brief the results to your First Line Supervisor or NC your Chain of Co

Vehicle Safety Tips

- 1) Adjust your driving speed for traffic, road conditions and weather.
- 2) Get plenty of rest before preparing to drive long distances. Fatigue is a major accident cause.
- 3) Always use your seat belts. Children under 12 years old require child or booster seats. You are responsible to ensure everyone in your vehicle wears their seat belts.
- 4) Pay ATTENTION! Stay focused on your driving. Don't be distracted by your cell phone, passengers, CD or tape cassette player.
- 5) Talking on the cell phone while driving is hazardous and against the law.
- 6) NEVER, EVER drink and drive. Drive defensively, because one in 20 drivers is drunk!
